DETAILS AND ANSWERS TO MOST QUESTIONS!

* SCHEDULING *

GingerSnaps Portrait Sessions are offered
in the early morning and evening.

The start time ranges from 7:00AM to 8:30AM or from 5:00PM to 7:30PM.

A non-refundable deposit and contract are required to reserve your sitting.

To get the best background possible, I like to
host my sittings at Coquina Beach.

Coquina is part of the National Parks and is easily one of the most picturesque locations
on the entire Outer Banks!

Located just south of Nags Head, it has the amenities of a bathhouse & parking
but not a house in sight. Fewer beachgoers, no tents and amazing dunes make it
a "hidden gem" for all local portrait photographers.

* EXTENDED FAMILY & LARGE GROUPS *

I tailor my sitting to capture the various groupings for extended families:
everyone, all the kids/cousins, kids with grandparents, couples, siblings, etc.
Each household receives immediate family portraits as well!

My full session pricing and timeframe are for families of 8 or less.

Please add \$10/additional participant for families with 9 or more members to
cover the extra time, care and images needed with larger groups.
(For example, if you have 12 people \$40 will be added to the sitting cost.)

Due to the time limit of the Mini Session, the additional participant fee doesn't apply.

* WEATHER POLICY *

I do my very best to reschedule your sitting to another day/time
in the event of inclement weather.

If there is persistent, severe weather or a hurricane evacuation that prevents us
from an opportunity to shoot or reschedule, your
deposit will be refunded or can be applied toward a future sitting.

hi!

I'm Ginger, photographer & owner of GingerSnaps Photography!

The Outer Banks is such a beautiful place to visit, and I'm super grateful to call it home! Growing up, I spent every summer in Nags Head and moved here in high school. I absolutely love beach life: sun, salt water and flip-flops :)

I earned degrees in Studio Art and Psychology at UNC Chapel Hill (Go Heels!) Following graduation, I launched GingerSnaps and have been shooting professionally ever since.

When I'm not behind the camera, you'll find me hanging out with my adorable family: gardening with our toddler, fishing on our boat, cooking dinner for friends, or taking Gracie & Ross (our rescue pups) for a hike to the sound.

I'm always excited to travel! I fell in love with photography while completing my painting concentration in Italy and have shot destination work in some amazing places: Charleston, San Francisco, DC, Oklahoma, Maimi, throughout the Northeast, and beyond!

Having photographed hundreds of weddings & well over 2,000 portraits, it's incredible to have clients come back year after year. I've experienced many milestones with my return families like wedding couples having their first child & grandkids growing from tots to teens... how amazing!

I'm excited to meet your family and capture memories for you here on the Outer Banks!
